

Hwy. 152/Hwy. N via Prairie View Rd.

Construction Priority: Third

This 10.36-mile, hard surface, off-road shared use route begins at Highway H and 136th street, continues east following NW Prairie View Road past KCI, passes SPCAA land swap site on Tiffany Springs Road and ends at Missouri Highway 152. Along the rolling terrain, users will experience open fields, stream crossings and

light commercial areas near Highway 152. A fairly scenic route, whose easy connections to Ferrelview and the Bonnie and Clyde Historic Site will serve as excursions to those who like to venture "off the beaten path".
