

Clay/Platte County Line - Hwy 45 via Hwy 152

Construction Priority: Third

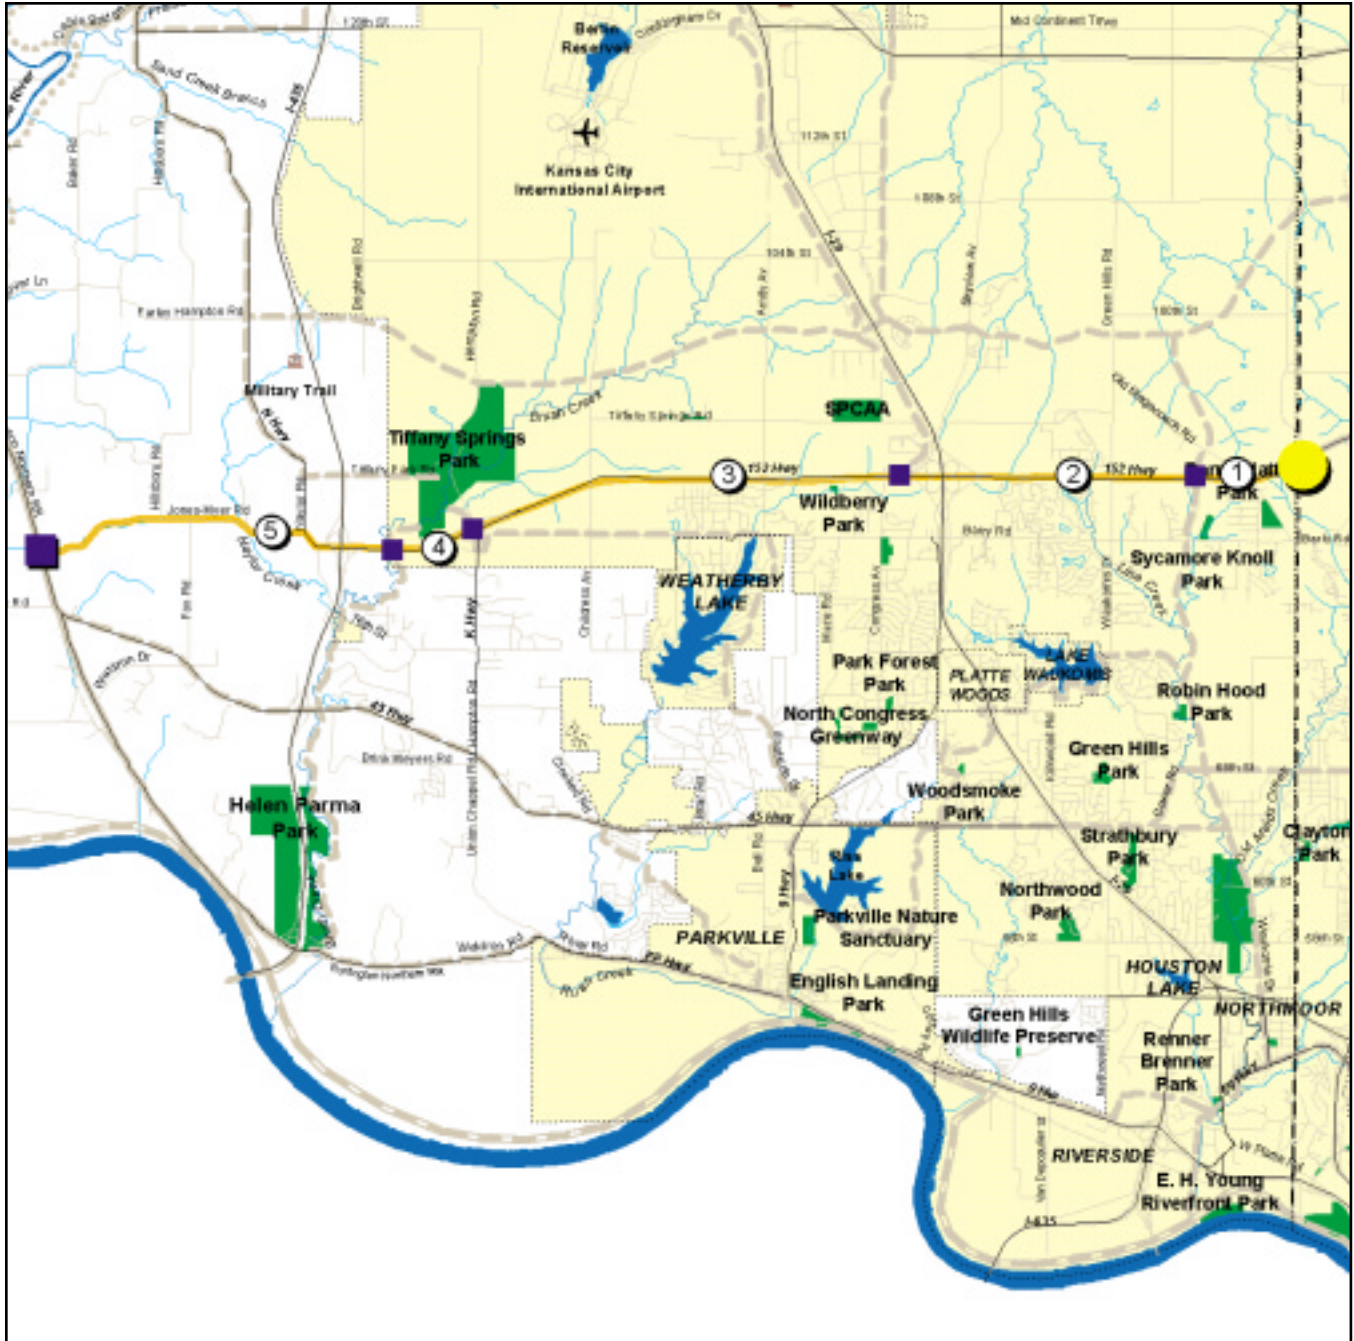

This 11.25 mile, on-road, hard surface, improved shoulder on Highway 152 runs from the Platte/Clay County line to Highway 45. The grade is relatively flat but heavy motor vehicle traffic and numerous driveways and intersecting streets will limit use to

more experienced riders. This route provides access to the SPCAA land swap site and Weatherby Lake. Riders will pass by Tiffany Springs Park on their way to the terminus of this trail.

TRAIL EVALUATION

	From	To	Distance	Uses	Trail Type	Trail Surface
Segment 1:	Clay/Platte County Line	Interurban Route	1.67	Bike	1	Hard Surface
